No. 106742-88, dated 1-12-1948.

O R D E R:

In order to compensate village officers for the additional work they had to do in connection with intensive procurement and rural rationing of foodgrains, the Government sanctioned from time to time the payment of bonus from 1-4-46 to 31-3-48 to paid village officers in Ryotwari and Zamindari areas in all districts. The Government also sanctioned the payment of similar bonus for the same period to unpaid village officers in the Zamindari areas of Chingleput, Chittoor, Nellore, Visakhapatnam and East Godavari districts. According to the orders sanctioning the bonus, would be payable only to village officers in Ryotwari and Zamindari areas. A doubt arose whether these orders will apply to village officers in inam villages also. The Board has reported that most of the Collectors have paid the bonus to all village officers (including those in the inam villages) without distinction and that only in the Chingleput district, it was not paid to village officers of whole inam villages. With a view to regularise the payments made by the Collectors, the Board has suggested that the term "Zamindari areas" occurring in all the orders sanctioning the bonus may be amplified as "Proprietary areas" so as to include Zamin as well as inam villages. As the intention is only to regularise payments already made, the Government consider that the amplification of the orders as suggested by the Board is not necessary and that it will be sufficient if payments already made are regularised.

In the circumstances His Excellency the Governor of Madras ratifies the payment of bonus if any already made to village officers in inam villages also with reference to Government orders referred to above.
